

Limp Climbing

Mount Eerie

I say, "cling to rocks"
And I mean, "hold my hand"
Be climbing
I say, "fall asleep"
And I mean, "sun come up"
Sun climbing
I say, "find a way"
And I mean, "fall asleep"
Be gliding
I say, "trip and fall"
And I mean, "limp and grand"
Do not be afraid
Of a pillow of snow
I know it's not as warm out there
But your skin will get warm
