

On Camera

MOUNT WESTMORE

You're on camera
(Camera, camera, camera)
(Camera, camera, camera)
(Camera, camera, camera)
Your paparazzi neighbors if they caught it on the ring
You're on camera
(Camera, camera, camera)
(Camera, camera, camera)
(Camera, camera, camera)
Your paparazzi neighbors if they caught it on the ring

Homie what the fuck you doing in my kitchen
You know I got the system, facial recognition
I got your ass on camera
And you ain't looking nothing like Santa (God damn ya)
Imma send ya ass to the slammer
Imma be there when the judge drop the hammer
Yeah, Punk bitch you better put it back we got cameras on this coldisack
I would cut off ya eyelids, you lucky they caught ya ass before I did
I tell ya ass I'm pretty violent
When I catch a porch pirate trying to be quiet
I sneak up real silent
Caught you on the ring turn ya ass into a meme
Yeah, I saw ya ass on the gram
I was going ham did you see that body slam?

You're on camera
(Camera, camera, camera)
(Camera, camera, camera)
(Camera, camera, camera)
Your paparazzi neighbors if they caught it on the ring

It might have a
The way I was taught was never go to war over no batch
There's plenty of fish in the ocean for you to try (what should I do)
Bet ya hook up for another fish to fry
When you know you one of them ones soil ya star (soil ya star)
You can't be booze gotta stay off they radar (bet)
Don't be flashy drive a bucket or a rent a car
When you living that nappy (living that nappy)
On the blacktop on the car
Ain't nobody safe even in ya home or ya draws
They say the Xaver 800 3D can see right through ya walls
Even when I'm drinking and I pull over to pee
No matter where I feel like somebody is watching me (watching me)
The cherries have hella cameras up in they vehicle (po po)
Turn of they body cams and beat till you black and blue (purple)
The little homies ain't got surveillance up in the studio (slipping)
I told them go to best buy go to Costco or home depot (listen)

You're on camera
(Camera, camera, camera)

I was watching, it was on TV
Police shot lil homie he was dead in the street
Now they witching up the stories talking about some guns
Telling lies to his mama they just shot her son
Did it really happening? Was it just some lies
Looking into the camera I don't trust them eyes
When they play that shit back don't be looking surprised
It was cold blooded murder but its justified
Security cameras on every block and every house
At each and every business in and out
Its documented and it went viral
You get acquitted in court and then its final
Fuck that shit (fuck that)
Y'all was running scared
When them racist mother fuckers ran up in there (you was scared)
You wanna fight over the president cause that ain't fair
But you done fucked up now there's cameras everywhere (everywhere)

You're on camera
(Camera, camera, camera)
(Camera, camera, camera)
(Camera, camera, camera)
Your paparazzi neighbors if they caught it on the ring
You're on camera

Facebook, Snapchat, thriller or tik tok
Instagram that's why ya nigga got popped
Hear no evil see no evil keep it discreet
And keep ya business up out of the street
Ya see less is more but you wouldn't know it for sure
I'm shooting a frame and the game is yours
Now you can chop it, crop it, stop it with the mixture
Lazer focus for you to get the picture
Every time you hit the door you betta know for sure
That they got a camera on ya ass everywhere you go
Gotta be critical its about the lictrure
Stick you up pick you its all about particulars
Cinematic horizontal shot for the lenses
Exploring and foreign as a mother fucking Benz is
Even when it looks like no one is in attendance
Ski mask and gloves leave no forensics
