

## Up & Down

### MOUNT WESTMORE

Say mane hey mane look here mane  
I'm talking about she thick er than oatmeal in a mother fucking freezer mane  
Know what I'm talking bout  
She gotta bounce up and down to fit in them jeans mane  
She damn near bout to bust out them seams mane  
I'm talking about she stacked like harry potter books brah  
I'm talking about mane it don't make mother fucking no sense

She gotta jumped up and down just to fit in them jeans  
She gotta jumped up and down just to fit in them jeans  
Left cheek, right cheek, left cheek, right cheek  
Left cheek, right cheek, left cheek, right cheek

Big booty girl, check her out  
Shake the right leg, shake the left leg  
Jump up and down, fall on the bed  
Don't start to sweat don't break a nail  
Try to inhale tail like a whale  
Gotta yell for help, fresh out the dryer  
This time little sister got use the flyers  
Get em on ya ass no strength left  
Say God damn bitch outta breath  
With each and every step they fight for position  
Right cheek fight with the left  
Its a struggle trying to hold that bubble  
And if she bend over then ass in trouble  
Boy you might see double  
Ass everywhere but she don't love you  
Just try to get a slice if you able  
Now you know why they call her ass round table

She gotta jumped up and down just to fit in them jeans  
She gotta jumped up and down just to fit in them jeans  
Left cheek, right cheek, left cheek, right cheek  
Left cheek, right cheek, left cheek, right cheek

Ain't nobody stopping this  
Rest my dick on her bottom lip  
You are on her line trying to run it in  
She ain picking up till I cum again  
A fuck around and fuck her and friend  
But I can t, I'm about to get money man  
I'm the one that told her make y'all pay  
Put them jeans on and walk your way  
You gotta pay if you want that hoe  
This ain't no love song  
Nigga up that doe  
She got more ass then you know what do do with it  
Do it wrong and you won't get the proper usage  
When you hit when you cum to quick  
She gonna tell everybody you ain't shit  
Talking bad and ain't coming back  
Every time she wear them jeans she don't know how to act

She gotta jumped up and down just to fit in them jeans  
She gotta jumped up and down just to fit in them jeans  
Left cheek, right cheek, left cheek, right cheek

Left cheek, right cheek, left cheek, right cheek

Nipples popping out like missiles (missiles)  
When I whisper in her ear she get tickle (tickle)  
Got my than long like the restaurant (crustati)  
She wanna hit the blunt and get drunk (percolating)  
I can be homeless and piss poor (piss poor)  
And pull the baddest bitch on skid row (skid row)  
When it come to thinking I'm a pro (I'm a pro)  
I can make like I'm broke and push blow  
I'm sharper than the sharp piece of cartilage in chicken leg (chicken leg)  
Leave up to me Ill drink the whole keg (whole keg)  
I be sauce down I be bossing (bossing)  
My name be in they mouth often (Very often)  
She the baddest thing moving she calipigeon (thick)  
Honey think like a Polynesian (I wanna hit it)  
She so persuasive she be in the preachers dreams (what she do)  
Gotta jump up and down to fit in them jeans

She gotta jumped up and down just to fit in them jeans  
She gotta jumped up and down just to fit in them jeans  
Left cheek, right cheek, left cheek, right cheek  
Left cheek, right cheek, left cheek, right cheek

Alright alright alright now player watch out now let me talk to the ladies f  
or a second  
Alright ladies check it out I need y'all to get in line and don't waste time  
I'm talking bout the ones with them big ol  
You know what I'm talking about? Them big ol dairy airs,  
Now put it in line like that yea yea come let's get it together come on  
1-2-3  
Now all the ladies with ass  
Say yea (say it)  
And all the ladies that's fine  
Say o yea  
Now all the ladies that twerk (twerk)  
Let me see you work  
Now all the ladies that's independent  
Show me what you got

She gotta jumped up and down just to fit in them jeans  
She gotta jumped up and down just to fit in them jeans  
Left cheek, right cheek, left cheek, right cheek  
Left cheek, right cheek, left cheek, right cheek
