

# Magnetize

Mousse T.

Yeah

I'm gonna tell you something  
That you just didn't know  
Gonna magnetize you baby  
From your head to your toes  
It's alright (It's alright)  
It's alright

(It's alright)

I've been thinking loads about you  
And the things that you do  
When I see you going red, boy  
And I'm feeling blue  
Magnetize (Magnetize)  
Oh magnetize, yeah

(Magnetize) Put your plus to my minus and  
(Magnetize) Stuck together's where you'll find us  
(Magnetize) 'Cause there's just one way to be  
Like opposites attract  
And you'll keep coming back (Back)

(Magnetize) Put your plus to my minus and  
(Magnetize) Stuck together's where you'll find us  
(Magnetize) 'Cause there's just one way to be  
Like opposites attract  
And you'll keep coming back to me

If I be heading north and you be heading south  
My compass gonna find you  
Bring me back to your mouth  
It's alright (It's alright)  
It's alright, yeah (It's alright)

Press your hips to mine  
And I'll pull you back (Back)  
Polarize me baby, yeah  
And smack it back  
Magnetize (Magnetize)  
Oh magnetize, ye-ye-ye-ye-ye-yeah

(Magnetize) Put your plus to my minus and  
(Magnetize) Stuck together's where you'll find us  
(Magnetize) 'Cause there's just one way to be  
Like opposites attract  
And you'll keep coming back (Back)

(Magnetize) Put your plus to my minus and  
(Magnetize) Stuck together's where you'll find us  
(Magnetize) 'Cause there's just one way to be  
Like opposites attract  
And you'll keep coming back

You won't lose your way  
Not today

Just a game I play  
So be it that way

Ye-ye-ye-ye-ye-yeah  
Won't you magnetize me baby?  
Won't you magnetize please, yeah?  
Stuck together's where we'll be

(Magnetize) Put your plus to my minus and  
(Magnetize) Stuck together's where you'll find us  
(Magnetize) 'Cause there's just one way to be  
Like opposites attract  
And you'll keep coming back (Back)

(Magnetize) Put your plus to my minus  
(Magnetize) Yeah, stuck together's where you'll find us  
(Magnetize) Because there's just one way to be  
Like opposites attract-tract  
And you'll be coming back to me
