

What You Say?

Mousse T.

You livin' on another level
Oh, I can't seem to talk to you eye to eye
You say your prayers to the Devil
Baby, I don't know why you make me cry

Why can't you need me like I need you too?
Just try and see me with these eyes, I'm watchin' you
And everythin' you do

What you say? I can't hear you (What you say? What you say?)
I can't understand now I can't hear (I can't hear, I can't hear)
What you say? I can't hear you (What you say? What you say?)
I can't understand now I can't hear (I can't hear, I can't hear)

You good at causin' trouble in my life
Confusing all the issues by the way you lie
Tell me, why we seem to make the wrong connection?
Oh, this time, will you throw in stones when you leavin' this glass house?

Why can't you need me like I need you too? Oh
Just try and see me with these eyes, I'm watchin' you
And everythin' you do

What you say? I can't hear you (What you say? What you say?)
I can't understand now I can't hear (I can't hear, I can't hear)
What you say? I can't hear you (What you say? What you say?)
I can't understand now I can't hear (I can't hear, I can't hear) no,
no, no
What you say? I can't hear you (What you say? What you say?)
I can't understand now I can't hear (I can't hear, I can't hear) no
What you say? I can't hear you (What you say? What you say?)
I can't understand now I can't hear (What you say? I can't hear you)

Ola ola ola, na-na-na
Tell me what you say? What you say?
Ola ola ola, na-na-na
Tell me what you say? What you say?
Ola ola ola, na-na-na
Tell me what you say? What you say?
Ola ola ola, na-na-na
Tell me what you say? What you say?

Ola ola ola, na-na-na
Tell me what you say? What you say?
Ola ola ola, na-na-na
Tell me what you say? What you say?
(What you say...)
