

## You Are...

Mousse T.

Ooh yeah  
Ooh yeah yeah yeah  
Ooh ooh ooh  
Ooh yeah  
Yeah yeah yeah yeah yeah yeah

If I was down you  
And you were down me  
We'd be two and  
Like the sugar in my tea  
Sweet enough at mornin'  
Keep it going through the day

I wanna tell you I love you  
In a most intensive way (you are)  
Everything I live for, yeah yeah (you are)  
The only person that I trust in this whole world (you are)  
(You are)

So near and yet so far away from me  
Mmm...  
Ooh yeah

But I'll take my time  
And I'll wait in line for you  
Someday you'll notice  
What my love can really do  
Shower you with passion  
Give you everything you need  
But only satisfaction  
Is to make you happy, yeah (you are)

Everything I live for (you are)  
The only person that I trust in this whole world (you are, you are)  
You are so near and yet so far away from me, ooh (you are)

Everything I live for (you are)  
The only person that I trust in this whole world (you are)  
You are (you are)  
You are so near and yet so far away from me

Ooh  
So near and yet far away from me  
You are so near and yet far away from me  
So near (you are)  
So near (you are)

I could touch you, squeeze you  
Almost hug you  
But you are so near and yet far away (you are)  
So near and yet far away from me (you are)  
From me (you are)  
From me (you are)  
So near and yet far  
Yeah yeah yeah  
So near and yet far

I could reach yah  
And feel you  
You're so near but yet so far  
I want you to know that you are my everything  
I want you to know that you are my everything

(You are, you are)  
(You are, you are)  
(You are, you are)  
(You are, you are)
