

## 12 Weeks

### Movements

It's like you always catch me  
At just the wrong time  
You're screaming up a storm  
And I can barely think  
There's never any peace  
And it's been a long night  
Like every other night for the last 12 weeks

But what's new?  
I'm consumed  
What's new?  
Consumed

(Am I)  
Sometimes I wonder if I died  
(The bad guy?)  
Would you live a better life?  
(Devil)  
I'd throw myself to all the wolves outside  
(In disguise)  
If it meant you'd be alright

My head gets hazy when you speak  
And I'm getting anxious, now  
My hands are shakin', I  
Fucking hate this  
And you're digging into me  
I can barely take it  
A trial on behalf of my uncertainty

But what's new?  
I'm consumed  
What's new?  
Consumed

(Am I)  
Sometimes I wonder if I died  
(The bad guy?)  
Would you live a better life?  
(Devil)  
I'd throw myself to all the wolves outside  
(In disguise)  
If it meant you'd be alright  
(Am I)  
And when I'm lying in the grave  
(The bad guy?)  
Will my debts be repaid?  
(Devil)  
Cause all I ever cause is pain  
(In disguise)  
Fall in love then fall away  
Fall in love then fall away

Deliver my wicked guise  
Forked tongue behind gentle eyes

(Am I)

Sometimes I wonder if I died  
(The bad guy?)  
Would you live a better life?  
(Devil)  
I'd throw myself to all the wolves outside  
(In disguise)  
If it meant you'd be alright  
(Am I)  
And when I'm lying in the grave  
(The bad guy?)  
Will my debts be repaid?  
(Devil)  
Cause all I ever cause is pain  
(In disguise)  
Fall in love then fall away  
Fall in love then fall away
