

Dark Walls

Moving Units

Drenched in blood
Cast in darkness
Hide your eyes
Behind your lashes
Feel His touch
Hear Him whisper
Open up now
Let Him enter

Give Him your heart
Give Him your soul
He is your lover
You are His own
He wants to save you
He wants to keep you here
He wants to pave you
Until the road is clear

Kingdoms crumble
Dragons vanish
Men will stumble
But not the righteous
Feel the bloodshed
Hear Him whisper
Open up now
I will enter

Give me your heart
Give me your soul
I am your lover
You are my own
I wanna save you
I wanna keep you here
I wanna pave you
Until the road is clear
