

Wrong Again

Moving Units

You don't know what you want
You don't know what you need
You don't know anything

You don't know what you like
You don't know what you hate
You don't know anything

You never stay at home
You never stay alone
You don't do anything

You once said I'm a friend
You once said it's the end
You once said anything

I need it
I want it
I get it
I lost it
somewhere
somehow

I lent it
I touched it
I tried to ingest it
but something is wrong

Wrong again
Wrong again
I'm wrong again
I'm always wrong again

Your stars are cut too thin?
Nothing of yours will end
You'll never get enough
You say you've had enough
I say you've got too much
We don't know anything

I need it
I want it
I get it
I lost it
somewhere
somehow

I lent it
I touched it
I tried to ingest it
but something is wrong

I need it
I want it
I get it
I lost it
somewhere

somehow

We're gunna make it tonight
We're gunna fake it so right
We're gunna get there and cum?
We're gunna leave them to the town?
We're gunna tear you apart
We're gunna soe you a heart
We're gunna take you away
away
away

I need it
I want it
I get it
I lost it
somewhere
somehow

I lent it
I touched it
I tried to ingest it
but something is wrong

I need it
I want it
I get it
I lost it
somewhere
somehow

I lent it
I touched it
I tried to ingest it
but darling you're wrong

Wrong again
Wrong again
We're wrong again
We're always wrong again
