

## Tapestry

Moya Brennan

Weaving silver and gold  
Destinations crossing over

Gentle music touching beauty  
Rising in harmony  
Teach us to listen, calling for wisdom  
Gracing a tapestry

Weaving silver and gold  
Destinations crossing over

Spinning a web of ribbons and color  
Colors of history  
Stories together, laughing and dancing  
Gracing a tapestry

Weaving silver and gold  
Destinations crossing over

Treasure secrets, stealing moments  
Phrases of poetry  
Setting in motion, loving forever  
Gracing a tapestry
