Hold On

Mozella

Back and forth, stuck in the middle of love and hate
Can't solve the riddle
She broke your heart, torn you to pieces
You're all alone, I'm what you're needing, boy
It's alright, love takes time

There you are, right in the thick of it
Broken up, I know you're sick of it
How come love just make you wanna quit?
Build the same castle and watch the watter ruin it
It's alright, love takes time
And when you think the world don't care
Just reach out and I'll be there

Hold on, I need you
Just hold on, I need you
Baby, I'll be there for you
Tender love and care for you
Just hold on, I need you
Just hold on, I need you
Baby, I'll be there for you
Love it's on its way, so just hold on

Hold on, hold on
Hold on, yeah

I'm gonna beg, buy and steal just to make you my own
Climb the highest mountain just to bring you back home
Ain't nothing they can say whatever tap me away
'cause here I am, baby, and I'm saving the day
It's alright, hold on tight.

Give you everything, I swear
Just reach out and I'll be there

Hold on, I need you
Just hold on, I need you
Baby, I'll be there for you

Tender love and care for you
Just hold on, I need you
Just hold on, I need you
Baby, I'll be there for you
Love it's on its way, so just hold on

Hold on, hold on
Hold on, yeah.

Love is on its way, love is on its way
Hold on one more day
You can have my heart forever
Help is on its way, I will find a way
Hold on one more day
And you can have my heart forever

Hold on, I need you
Just hold on, I need you

Baby, I’ll be there for you
Tender love and care for you
Just hold on, I need you
Just hold on, I need you
Baby, I’ll be there for you
Love it’s on its way, so just hold on

Hold on, hold on
Hold on, yeah

Hold on, I need you
Hold on, I need you
Baby, I’ll be there for you
Tender love and care for you
Just hold on, I need you
Just hold on, I need you
Baby, I’ll be there for you
Love it’s on its way, so just hold on

Hold on, hold on…

Love is here to stay, so just hold on
I need you to hold on…
Love is here to stay, so just hold on
Hold on to me, hold on, hold on, yeah
Just hold on
