

# 4Life

Mozzy

Bangin' blood this shit 4 life  
Bang a left then twist a right  
Flame him when I lift the pipe  
Mandatory skin on sight  
Tired of lettin' it sit on ice  
Tired of niggas wolfin' on me  
Back to back shows tonight how's niggas lookin' for me

Flight to ATL tomorrow  
Nano finna book it fa me  
He ain't got that chain no mo' cause HGM n 'em took it from him  
Leave the room to answer calls I assume that you the law  
Ain't answer when you call collect it's tapped and I refuse to talk  
Love you Gutta you my dawg  
Word to Mutta you my dawg  
Never cross the one's I love nigga been there for me through it all  
Fell back I was too involved  
The risk ain't even worth it  
Willing to throw it all away for you don't hit me 'less it's urgent  
GSR the sleeve we need some bleach a lil detergent  
We was taught to show no mercy when we squirtin' close his curtains  
We was taught to show no mercy when we squirtin' close his curtains  
Thankin' Skeemo for his service  
Let the syrup stain the surface

Bangin' blood this shit 4 life  
Bang a left then twist a right  
Flame him when I lift the pipe  
Mandatory skin on sight  
Tired of lettin' it sit on ice  
I'm tired of niggas wolfin' on me  
Back to back shows tonight how's niggas lookin' for me

Inside out ya hoodie fa me  
And we swappin' out the plates  
House arrest in full affect cause they ain't bummin' out the play  
Put up niggas out the way  
Steppin' them from down the way  
Rollie with the drowning face for anything you down today  
Fuck 'em they ain't down with gang  
I was told that less is more  
You ain't let yo wooties turn you 'gainst me I respect you for it  
Shit that I just can't ignore  
Like all these niggas wolfin' on me  
Shit that I just can't afford like goin' to jail for cookin' homie  
Think I'm pussy push up on me  
Resume display itself  
You the type to run up under those who couldn't save they self  
Ask him how the flame was felt  
Evident we play with them

Niggas ain't neva did me shit know theybett' not play with him  
Ask him how the flame was felt  
It's evident we play with them  
Niggas ain't neva did me shit they know theybett' not play with him  
Pull up on you 8AM double back at 8 at night  
Thirst fa yo DNA only way to make it right
