(J-J-J-JuneOnnaBeat)

I've did so many things in ma life I ain't even know  
If I'm still gonna be here  
And I've felt so much pain in ma life there was times  
I ain't care if I be here  
And they would say we wouldn't make it  
Dem hoes got to fakin  
And them niggas tryna find a way to set me up  
And I've done felt so much pain in ma life there was times  
I ain't even care if I be here

Yeah...

Niggas too fly for their own good  
Wouldn't even slide for yo own hood  
What type of nigga too fly for his own good  
Wouldn't even slide for his own hood  
I can show you how a 50 band loaf look  
All hunnid faces, Nigga thicker then a phonebook

Mini yoppa in the MCM duffle  
These young boys will squirt ya behind a scuffle  
Politically inclined gotta love em'  
I done watched a broke nigga climb off a bubble (boi)  
You might prevent a fall with a stumble (boi)  
He Ain't 4 Fangaz up, muhfuck him (boi)

To strippin niggas nudity naked, This shit a promise

I've did so many things in ma life I ain't even know  
If still gunna be here  
And I've felt so much pain in ma life there was times  
I ain't care if I be here  
And they would say we wouldn't make it  
Dem hoes got to fakin  
And them niggas tryna find a way to set me up  
And I've felt some much pain ma life there was times  
I ain't even if I be here

Murder rate was boomin they was doing 2 a week  
Self preservation keep a toolie in ya denims  
Seen a niggas die behind kimbles, no jozzin  
Speakin this matter off to let you know that it's real  
Disappointments to mothers, On mommas we in the field  
Llamas in my apparel, One up top ahk in the barrel  
Function with Nef the Pharaoh big tymin is narrow  
Ah Ah I say it how I get it nigga  
I put the Mozzy hoodie on and go get it nigga  
We the illest out, Get out ya feelings and build with us  
I wish my nigga Zilla Zoe was still with us  
We the illest out, Get out ya feelings and build with us  
I wish my nigga Mijo was still with us

I've did so many things in ma life I ain't even know

If still gunna be here  
And I've felt so much pain in ma life there was times  
I ain't care if I be here  
And they would say we wouldn't make it  
Dem hoes got to fakin  
And them niggas tryna find a way to set me up  
And I've felt some much pain ma life there was times
