Fuck the lil' sister and I tampered wit' her oldest

Just bought a switch and gave it away 'cause lil' potna want it
My mama told me, "Fuck these nigga, they gon' slime you out"
But I'm devoted, that's some shit I'm willin' to die about
That lil' pistol case ain't nothin', what you cryin' 'bout?
Respect that fact you kept it on you this time around
