

# Depending On Me

Mozzy

This shit is real'er than you'll ever know  
They keep telling me they will, but you never know  
I got my mamma and my kid they depending on me  
I got some problems doing big they depending on me  
I just hol' it give it a pill homie they let em go  
I swear you niggas went hell just a year ago  
Hey all these problems went here just a year ago  
Hey we struggle but now we here, yeahhh ahhh

Ye for real niggas you'd a came across  
I'd a came from nothing and became a boss  
Ye no dance I had to pay the motherfuka to bring the bottles  
Super 8 to roll, Shooter gang really bang it off either body something  
Don't bang it off headshots wanna take it off  
I've seen it all, hating nigga that a need it all  
And I just be whatever on the market I'm a need it all

These suckers ask why, you niggas is lie but let em sleaze you all  
Pulling up whenever tae call, Harlem a need to take beam off  
I never take this piece of, got a fucked up, thinking we soft  
I just paid mama Lisa, I just paid mama Lisa off  
Paper work get you cleaned off, all this shit was just a dream y'all  
We finally made it on the beat y'all, I just wanna see you eat dog

This shit is real'er than you'll ever know  
They keep telling me they will, but you never know  
I got my mamma and my kid they depending on me  
I got some problems doing big they depending on me  
I just hol' it give it a pill homie they let em go  
I swear you niggas went hell just a year ago  
Hey all these problems went here just a year ago  
Hey we struggle but now we here, yeahhh ahhh

Bitch I got that 40 thang on me that whole bucky  
He get slimmy he get spunky well on top where we approaching  
How you let he tell, that ain't gunned down  
Lennie tell will still come around  
High shit I hate coming down, tone in for cold the pussy down  
The blood taught me how he cut you out  
Fucked off of yeezy hunnid pound  
Drum holding off half of 100 rounds  
Really fuck around on there honey?

2 bands put a amphetamine I had to turn it down for that price  
My lil nigga say he getting twelve, but I utilized that night  
They had me boxed in a prison cell, I was revived you ain't like  
Bro I went to Charlie, got maxed out  
He ain't really value his life  
Damn, why is you taking the stand like you don't understand  
You telling your man's  
Why is you take the stand you don't understand  
Your telling your man's

This shit is real'er than you'll ever know  
They keep telling me they will, but you never know  
I got my mamma and my kid they depending on me  
I got some problems doing big they depending on me

I just hol' it give it a pill homie they let em go  
I swear you niggas went hell just a year ago  
Hey all these problems went here just a year ago  
Hey we struggle but now we here, yeahhh ahhh
