

Froze On Me

Mozzy

Froze on me

But I'd respect it if the nigga woulda told on me
Fuck the suckers, it's been smokey with my own homies
I see through all of that fake love, it's so phony
I can't leave it, gotta keep it, I got pole on me
Froze on me
But I'd respect it, he woulda told on me
Fuck the suckers, it's been smokey with my own homies
I see through all of that fake love, it's so phony

Nigga froze on me

But I'd respect it 'cause the nigga woulda told on me
This pole on me in case these nigga want my soul from me
Fuck these nigga, get yo' chicken, that's what bro told me
Rather nigga do it now than wait and fold on me
These nigga lost me
Got this monkey on my back and I can't get it off me
I been showin' too much love, I know that shit gon' cost me
When that nigga folded on me, I was feelin' salty
Like how do nigga think they gang and they was never with us?
Can tell by the way you move that we was never nigga
I been cuttin' nigga off, I'm talkin' hella nigga
Circle smaller than a dot, I'm croppin' hella pictures
Like they was never members

You nigga scandalous

Thought you was family
Turned around and used 'em on us when I bought you them blammies
What you expect from me?
Bust a move, I ain't approve, no respect from me
Hyenas hungry, I'ma let 'em eat
We the elites around this bitch, let's get that understood
That nigga died, he just another wood
Portfolio diversified, I'm on another jugg
Can't even act like I'on love the hood
Can't let 'em smut the hood
4th and San Jose, that's the beach where I play
Showed them boys and they ain't think I yank
Nigga 12th and off the Treys, sold dope with the gang
It was time to push that line, showed them boys I yank

Froze on me

But I'd respect it if the nigga woulda told on me
Fuck the suckers, it's been smokey with my own homies
I see through all of that fake love, it's so phony

I can't leave it, gotta keep it, I got pole on me
