

Good Look

Mozzy

Twistin up Gelato in the wood
We'll slither up remodel niggas hood...

It's Spunky in my section know I'm pullin up
91 gas I'll fill you up
When is time to ride I'm not pickin up
When that choppa kick watch em Giddy up
Stretch em out, Coroner pick em up
Trappin til my toes bleed out here tryna get it up
Niggas say they 1 hunnid but they not real as us
Tellin on the whole gang tryna get rid of us
Shootin up funerals homes, Shit gets serious
You not in the streets if you ain't heard of us
My clan full nothing but murderers
A lotta niggas that don't deserve our love
Money on my mind, In God we trust
Gotta watch out these hoes tryna line me up
Might not see another day
We catchin bodies that's another closed case

Twisting up Gelato in the Wood
We'll slither up remodel niggas hoods... (That's on the hood)
Body for body for everybody they took nigga... (Yeah)
Body for body to everybody get took nigga... (Huh)
Place bail every time we get booked
Got that FN on me you know its a good look... (Good look)
Body for body till everybody get took nigga... (Word Up)
Body for body for everybody they took nigga

Keep yo mouth closed
We don't make a sound around these hoes
That's how niggas get back doored
I told her flick of the wrist
That's means she cookin crack on the stove
The streets put me back on my toes
Ratchet in my clothes, We be gettin active with the poles
Fuckin with the suckas back and forth, I do it for the 4's
That's on my grandma Alina's Soul
If niggas know me then niggas know
How you sellin dope but you broke niggas bootsie
Macintosh on me that means everything Gucci
Everything Gabbana on my momma I'm the fella
Check the profile, I Swear I tried to tell em
Fetchin this mozzarella, Hexa hella extra
She ain't top bout it I ain't even finna text her
Uhh... Cute 7 with the Peanut Butter leather
Mozzy on the beanie
Bladadah on the sweater

Twisting up Gelato in the Wood
We'll slither up remodel niggas hoods... (That's on the hood)
Body for body for everybody they took... (Yeah)
Body for body to everybody get took... (Huh)
Place bail every time we get booked
Got that FN on me you know its a good look... (Good look)
Body for body to everybody get took... (Word Up)
Body for body for everybody they took

My young niggas still with them home invasions
Few bodies in the hood still open cases
Ain't no talkin around here
When that 5th spark, Niggas line up in chalk around here
I told ya niggas before
I see them niggas again I ain't talkin no more
I squeeze the clip til it jam, them niggas ran in the store
Back in the kitchen water whippin, Addicted to the dough
I Gotta get it nigga, I put this change on your head
Just like a fitted nigga, That's if you ready for war
Niggas hit you from long range put your face in the scope
That's how it is in these streets when you pushin this dope
Free my little nigga Twin he a shoota fasho
Niggas will double right back and put a tek to your throat
This that wild West Oakland, Only shit I know
Nigga It's Stalin...

Twisting up Gelato in the Wood
Will slither up remodel niggas hoods... (That's on the hood)
Body for body for everybody they took... (Yeah)
Body for body to everybody get took... (Huh)
Place bail every time we get booked
Got that FN on me you know its a good look... (Good look)
Body for body to everybody get took... (Word Up)
Body for body for everybody they took... (Nigga)
