

I CAN'T GO OUT

Mozy

Firearm on me, I can't slither without it
Not even in transitional housin'
'Cause they gon' try to knock me down if ever I low
The fact that it's my own, I'm in my feelings about it
The fact that it's my own, I'm in my feelings about it

I can't go out not for nothin' (I can't), nothin', I can't go out, no (I can't go)
Nigga, I can't go out not for nothin' (I can't), nothin', I can't go out, no (I can't go)

Ever put your bitty on your back with no problem?
One-bed apartment, it's just me and this chopper
Cut nothin' like us 'cause you boys was adopted
Tryin' too hard, blood, stop it
Presented with no option, I was stuck on that fo'
Love for Annie never changed, she was stuck on that dope
Struggled with my demons, had to take a few L's
But not bein' there for my daughters is what hurt me the most
Think cuttin' off my partners ain't disturbin' my soul
Couple tickets ain't content, though, I'm thirsty for more
Brodie had his mama whip, we did our dirt in her load
I could never turn my back, not on members like that
Put it all on the line when he was squirtin' his pole
Feelin' like the hate intensified the further we go
There's certain niggas that I love, wouldn't go against 'em for nothin'
They put chicken in my pocket (I can't) when they heard I was broke, yeah (I can't go)

I can't go out not for nothin' (I can't), nothin', I can't go out, no (I can't go)
Nigga, I can't go out not for nothin' (I can't), nothin', I can't go out, no (I can't go)

Paperwork recently published, you know it's over
No point in tryna tell me what you told 'em
After all these skits that you done did, been a fella since a kid
You was peerin', now you gangsta hit with soda
Subaru with steppers tailgated by the 'Yota
Problem with bein' sober, a problem that's hard to fix
Wear my heart on my sleeve, found pleasure bein' in pain
Homie smokin' the homie, so ain't nobody exempt
Ain't nobody repentin' or lookin' for your forgiveness
Rankin' without a blemish, abided by all the costs
From the gravel I rose, consider it my ambition
Mozzarella Militia consists of no one who froze
In addition to ballin' that's been a part of tradition
But comin' from these conditions, we had it harder than most
Nigga sick as a dog and bothered when I was broke
Nigga sic an alarm instead of inhalin' smoke, you know what I told 'em? Yeah

I can't go out not for nothin' (I can't), nothin', I can't go out, no (I can't go)
