

KATTA CLIPS

Mozy

It's nothin' I'm in love with more outside of katta clips

Soccer vans and Buicks, let me see that bitch, I'll do it
Jump up out your hand when you shoot it
You ain't contribute to the war, then buy a chop or somethin'
What, you ain't squad or somethin'?
Niggas pocket watchin'
But I agree, you havin' motion, get your partners poppin'
Backseat, skizzy drivin', better not drop a dime
My nigga Smile took his time and told 'em suck his dick
Conspiracy is always pendin' when they on your line
But they don't need cooperation, still'll make it stick
Never looked out for the squadron, captain save a bitch
Missed a meeting here and there, but always made the trips
It's nothin' I'm in love with more outside of katta clips

It's nothin' I'm in love with more outside of katta clips
Nothin' I'm in love with more outside of katta clips
It's nothin' I'm in love with more outside of katta clips
Look, ayy (Love with more outside of)

I don't think the suckers killed my partner
Fuck it, give him credit for it, he get beheaded for it
Me and this bitch ain't sharin' loads, we be in separate foreigners
On top of several foreigners
Since he ain't here to clear his name, you gon' repair it for him?
'Cause it's a debt to pay
This Chevrolet draggin' these eights, so if I'm ever late
It's either that or I just left the blade
I'm into fetchin' pape' and nothin' else
Niggas at war, I pray these buttons help, yeah
Keep it on you if you love yourself
Keep it on you, blood, if nothin' else
These niggas hoes, but wasn't supposed to tell
Went to post his bail, he got parole, he home
You see him starvin', nigga, throw him 'bows

It's nothin' I'm in love with more outside of katta clips
Nothin' I'm in love with more outside of katta clips
It's nothin' I'm in love with more outside of katta clips
Look, ayy (Love with more outside of)

It's nothin' I'm in love with more outside of katta clips
It's nothin' I'm in love with more outside of katta clips
It's nothin' I'm in love with more outside of katta clips
Nothin' I'm in love with more outside of katta clips
