

# No Choice

Mozzy

You don't wanna live like this let it sink in  
Another premature body drop before the weekend  
I used to bag up pieces beyond decent  
They say the customer's right never mistreat em  
And he searchin' for a vein with that needle  
When you carry the monkeys you gotta feed 'em  
I suffer from similar inner demons  
Yeah I be sippin' for insignificant reasons  
When you told me 'you loved me' I ain't believe it  
But when you show me you love you'll receive it  
Do it for the killas sittin' down for them seasons  
It be hard to say no so they convertin' the leaches  
Long as you a earner you peaches  
Classification it's top rank, never heard of impeachment  
Long as you a earner you peaches  
Classification it's top rank, never heard of impeachment

Livin' in the field (field)  
This is how it is (how it is)  
Gotta live with shit I did (I did)  
When I die I hope I'm missed  
I ain't have no choice  
I ain't have no choice  
I ain't have no choice  
I ain't have no choice

They label us killas and all mine  
Cause I kill anybody that come to moms  
The driver like 'How I get all this time? '  
You had a active role in the commission of a crime  
Yeah it's brazy you niggas don't see the signs  
Bruh told on blood cause he ain't wanna do life  
I send my condolences in a kite  
You know them people gon hang him and that ain't right  
Stare at my daughters to see the light  
Went and got him a M I promise to see it twice  
Ya'll remember when Mozzy was on the hype  
Mozzy was dead broke he was drippin' shit on sight  
My brother died they told me it'd be aight  
That was back in '05 on them niggas lied  
Got me relapsin' and gettin' high  
This shit got me relapsin' and gettin' high

Livin' in the field (field)  
This is how it is (how it is)  
Gotta live with shit I did (did)  
When I die I hope I'm missed
