

Out Here Really

Mozy

Tell the nigga on top, I'm a dog out of prison, that's the only way a nigga gone sleep (Only way)
Gas sip and go, take a stack out the roll, that's the only way a nigga gone eat (Only way)
Selling fake dope, duct tape, rope, that's the only way a nigga gone make it (Only way)
Anything over one kilogram, that's the only way a nigga gone take it
You and me both gotta be cut from the same cloth or a nigga can't trust you
Fuckin' with a nigga paper, that's a major problem, type of shit that make a nigga wanna bust you
I'on give a fuck 'bout nothin' but goin' broke, that's the only way I'm gon' cry (Only way)
Pussy nigga playin' them pussy nigga games, that's the way a pussy nigga die (Only way)
First you gotta crawl, then you gotta fall, that's the only way a nigga gone ball (Swish)
Fuckin' with a shot, call her AK47, only shot a nigga gone call
Never tell, never told, never crack, never fall, that's the only way that yo u can be a G (Only way)
Never have, never will, you can bet a hundred mill, that's the only way that you can be me (Only way)

We ain't in the house, in the street with this shit
Yeah, we in the street with this shit
They just knocked a nigga down up the street from the bitch
Bought a SK, gotta sleep with the stick
Bought an SK, gotta sleep with the stick
I be out here (I be out here really)
I be out here really (I be out here really)
I be out here really though (I be out here really)
I be out here really (I be out here really)
We ain't in the house, in the street with this shit
Yeah, we in the street with this shit
They just knocked a nigga down up the street from the bitch
Bought a SK, gotta sleep with the stick
I be out here (I be out here really)
I be out here really (I be out here really)
I be out here really though (I be out here really)
I be out here really (I be out here really)

I never woulda' thought she would turn on me (Ha)
The good die young, we don't turn 40 (Ha)
Lil Rob died, really love homie (Ha)
Willin' to take it there, spill blood for him (Yeah)
Got it out the mud, pure on me
Being broke is a mans shame, nothin' pretty (Nothin' pretty)
Called up man, need another fifty (Need another fifty)
Now I'm up a couple band days, hundred fifty (Hundred fifty)
Promise all my niggas that they coming with me
Finna color coordinate another simply (Yeah)
Sip 'til I slip into another coma
Level up on these niggas they got nothing on us
Niggas know me then they know I got it off the corner
Niggas know me then they know I got it off the corner
Keep one up top, nigga, on my momma
Saw fifty in my chop, nigga, on my momma

We ain't in the house, in the street with this shit
Yeah, we in the street with this shit
They just knocked a nigga down up the street from the bitch
Bought a SK, gotta sleep with the stick
Bought an SK, gotta sleep with the stick
I be out here (I be out here really)
I be out here really (I be out here really)
I be out here really though (I be out here really)
I be out here really (I be out here really)
We ain't in the house, in the street with this shit
Yeah, we in the street with this shit
They just knocked a nigga down up the street from the bitch
Bought a SK, gotta sleep with the stick
I be out here (I be out here really)
I be out here really (I be out here really)
I be out here really though (I be out here really)
I be out here really (I be out here really)

Where y'all was when them things kicked back?
Where y'all was when them things kicked back?
Where y'all was in the middle of the sweep?
Where y'all was in the middle of the sweep?
Where was niggas at when them suckers slid through?
When them suckers slid through?
Fuck a bitch nigga and fuck a bitch too
You know I ride K and 40 Sig too
Where was niggas at when them suckers slid through?
When them suckers slid through?
Fuck a bitch nigga and fuck a bitch too
You know I ride K and 40 Sig too

Out here (I be out here really)
I be out here (I be out here really)
I be out here really though
