

PAC PROUD

Mozzy

(Haha, you crazy, Jaywavy)
Killuminati, hopin' Makaveli proud of me
(Let the beat ride out, Ju)

Nigga, this a thug life, know my nigga Pac proud
Ain't nothin' like us when we pop out
Why you politickin' with the nanas and the dropouts?
She ain't forkin' over all her earnings? Bitch, watch out
Thought we had more time to share together 'til you clock out
Guess I gotta rock out how we rock out
Celebrate his gangster, he just got out
Was sleepin' on the benches at the beach when we was locked out
My resume at stake, so I can't tell on dog
Even if he told on me, what I been tellin' y'all?
They pray the fella fall
Too many residential properties, I'll sell 'em all
And buy some 'bows, we'll forever ball

Had to do that turn-around, they held it down for me
I know granny and the killers lookin' down on me
Can't forget about the trenches, I'm the child of it
Killuminati, hopin' Makaveli proud of me
Had to do that turn-around, they held it down for me
I know granny and the killers lookin' down on me
Can't forget about the trenches, I'm the child of it
Killuminati, hopin' Makaveli proud of me

Bubble-eye Benz, that's what I used to want
'Fore Bob locked in with Skeme, them niggas used to fonk
We gotta politic in person, scared to use the phone
When Hus ain't have a pair of feet, I let him use the ho
She said I give her Martian vibes inside this UFO
'Member standin' on the corner with the 2X on
They let a sucker bang the hood, you niggas shoulda known
I understand you just the driver, but you shouldn't've told
Just like you shouldn't've drove
Paid my unc' to whip it up, we had him cookin' O's
Switch up now, nigga, you took an oath
No longer broke, we gettin' cookie, though
I think I'm schemin' in Celine, I got they hood on
Get your boogie on

Had to do that turn-around, they held it down for me
I know granny and the killers lookin' down on me
Can't forget about the trenches, I'm the child of it
Killuminati, hopin' Makaveli proud of me
Had to do that turn-around, they held it down for me
I know granny and the killers lookin' down on me
Can't forget about the trenches, I'm the child of it
