

SEVEN 2'S

Mozy

What I look like arguin' with rodents?
Niggas on these social sites starvin' for a moment
This only part of what you owe me
Back it in the handicap and park it like it's stolen
This the newest one, pulled it off the lot 'cause it's the cute
st one
Juvenile life, I can't wait 'til they free Judah son
Instead of yellin' free him, what you do for blood?
Smokin' dead suckers 'til I lose a lung, who the plug?
If you the plug, lock it in, pull up, bring them boxes in
Please don't pass the microphone to me 'til all my shottas in
State to state, blockin' in, pour a four, pop a ten
Slidin', it's just hoppin' in, that's on my mama 'nem
Better not like a photo they posted if we at odds with them, ma
n
Mad at all the dead ones 'cause they left me with these niggas
Sendin' Apple Pays, got me textin' all these bitches
40 pop, you know it come with extras in them 'stensions
They gon' walk you down, they ever catch you in them trenches
Sinnin' for 'em, they can't say I left 'em in them trenches
They blessed me with a million, but ain't bless me with forgive
ness
So how I can forgive?
All that I done did was for the posse, I admit it
Devoted and committed
Seen my nigga die, ain't go to sleep without relivin' it
Prayin' for the innocent
Tatted up his face, but niggas ran from them scrimmages
Rappers out of pocket, out here payin' for they membership
Gangster full of blemishes

Yeah, and that's just somethin' I could never do
Love me in the Heights, but beg to differ out in Meadowview
Cleanin' off my image, but it's still a glimpse of residue
Clap city district, all it ever rain is 7-2s
All it ever rain is 7-2s
Clap city district, all it ever rain is 7-2s
All it ever rain is 7-2s
Clap city district, all it ever rain is 7-2s

Tried to tell him leave the streets alone and do what's best fo
r you
Tired of seein' graduation pictures when we check the news
Feds tappin' all the iPhones and interceptin' oops
Clap city district, all it ever rain is 7-2s
Clap city district, all it ever rain is 7-2s
Clap city district, all it ever rain is 7-2s
