Mozzy

(Chambers)

(D-Diego)

Ayy, damn, this bitch bad, tryna size a nigga up
Big boogers in my eyes, slidin' big truck
Yeah, I know she see my necklace and my wrist lightin' up
Yeah, got lil' mama droolin', tell your bitch to tighten up
She said, "What kind of car you drive?" Oh, you tryna size me up
"Is the watch Icebox?" Oh, you tryna size me up
"Is you finna take me shoppin'?" Oh, you tryna size me up
She got bad bitch problems, so she tryna size me up

100K on both chains, family full of tweakers
Nigga come up from that dope game, she love that 'bout me
You belong in a Benz, baby, fuck that Audi
I ain't worried 'bout your nigga, he ain't fuckin' with Mozzy
Leather so soft when I touch on her body

Dweller on my wrist, ain't nothin', I got like four of 'em
Said her baby daddy a fella, but I don't know of him
He ain't ringin' bells in the bity, then he's a dud
Made her stuff blick in her Louis, you with a thug
Treat the European like buckets, I'm from the mud
Side bitches got her on Insta', scribblin' subs
Could never kiss lil' mama the way I'm kissin' this cup

Ayy, damn, this bitch bad, tryna size a nigga up
Big boogers in my eyes, slidin' big truck
Yeah, I know she see my necklace and my wrist lightin' up
