

Where I'm From

Mozzy

I'm from where nobody gets a pass
Everybody gets a pistol, but nobody got a mask (Y'all know where I'm from)
Where bitches just as treacherous as niggas
And the police just as crooked as the crooks that they be catchin' (Y'all know where I'm from)

I'm from where nobody gets a pass
Everybody gets a pistol, but nobody got a mask (Y'all know where I'm from)
Where bitches just as treacherous as niggas
And the police just as crooked as the crooks that they be catchin' (Y'all know where I'm from)

I'm from where booty shakin' hoes'll catch a body too (They do)
They quick to grab the clip and stick right off the counter too (They do)
I made the news and my whole city knew I wasn't playin'
Six figure bond like a don, naw I wasn't stayin' (I'm out)
Red jumper suits, county jail nothin' cute
Bunch of old charges, I don't need nothin' new
Never send you on a mission that I wouldn't do
Or couldn't handle with a rubber handle.³²
They never stop printing money, dummy, go'n and get'cha some
They never stop makin' pistols, pussy, go'n and get you one

I'm from where nobody gets a pass
Everybody got a pistol, but nobody got a mask (Y'all know where I'm from)
