

Light My Fire

Mr. Capone-e

You light my fire you take me higher
And I can't deny her cause you making everything alright
You light my fire you take me higher
And I can't deny her and you know I need you in my life

Early in the morning waking up to the beat
It's a good ol day got a kiss on my cheek
Feel like a boss so I get fresh dressed
Diary of a g we ain't havin that stress
Hold em like I'm doing something so I'm
Getting paid
Snoop Dogg called me up you know is on the way
(What's crackin lackin)
Out my way
So I bounce to the store wheres the Don Diego

Party time you the fine design
Without you girl my life would expire
So sing to me baby I'm a sing to you
Stay true to me lady, stay true to you
Uh best spot you will invade my mind
And guess what you just my kind
Rain or shine you always got my back
Take me to cloud nine just like that

And I can't deny her cause you making everything alright
