Mr Eazi

Yeah yeah
I never had to count my blessings but these days I do
Originally I no dey find trouble but these days I do (yea)
'Cause it's a lonely road a lonely road
Never suffer lonely
I no dey find trouble but these days I do

Oh dema pre me voodoo
But I thank Jehovah for the journey
Oh Joy comes in the morning
I let bad mind close and they were storing
I got so many secrets that I pray don't come out
Paranoid cause I've seen things go bad
When my family turns to demons around me (yea yea)

I Thank you Lord for everything
Everything you've done for me
And I give you praise oh Majesty
And I say thank you

I Thank you Lord, for everything
Everything you've done for me
And I give you praise oh Majesty
And I say thank you

Thank you God for keeping things smoothly (hem ye ahee)
And the blessings wey you shoot daily (hem ye ahee)
I no go lie I am feeling differently (hem ye ahee)
Na why I still dey move undercover

Thank you God for keeping things smoothly (hem ye ahee)
And the blessings wey you shoot daily (hem ye ahee)
I no go lie I am feeling differently (hem ye ahee)
Na why I still dey move (o)
