

## Tender (265)

Mr Eazi

Last night I got a little drunk  
I promised that I wouldn't call your phone  
Man I've been having such a week  
I'm on my knees, I feel so weak

I need something, sweet and tender  
So I'll send a tender, to your phone

I need something, sweet and tender  
So I'll send a tender, to your phone

Dialing 265  
Dialing 265  
Dialing 265  
Dialing 265

Lately I've been feeling so temperamental  
I need your medicine, won't you prescribe me  
Oh, darling, won't you call me when you get this  
I wanna know if this is going

Somewhere sweet and tender  
So I'll send a tender, to your phone

I need something, sweet and tender  
So I'll send a tender, to your phone

Dialing 265  
Dialing 265  
Dialing 265  
Dialing 265

'Cause I need something, sweet and tender  
So I'll send a tender, to your phone
