

# The Writer

Mr Eazi

Why do we do this?  
Why do we let them make every decision  
That ain't really theirs to make?  
Why are we still here?  
Why are we working late?  
We ain't the people that they can manipulate

Throw it back, back, back, back in their face  
Back in their face, give them a taste  
It's time to hold the stand  
Tell 'em they should get  
Back, back, back, back in their place  
Back in their place, get off our case  
We ain't the ones to quit  
We don't take no shh

All I know (All I know)  
Dominoes (Dominoes)  
Gonna fall

We shine a little bit brighter  
When they're out the way  
So get out the way  
We sing a little bit louder  
When no one's there to say  
No one's there to say  
It's our life, we are the writers

(Ooh-oooh-oooh, ooh-oooh-oooh)  
(Ooh-oooh) It's our life, we are the writers  
(Ooh-oooh-oooh, ooh-oooh-oooh)  
(Ooh-oooh) It's our life, we are the writers

Ay  
When you face tomorrow no they care about yesterday, zagadat  
The money in our pocket, still our dreams we haffi chase, yeah, yeah  
We di live one life, we no care 'bout what they say, yeah  
Forget all your worries and just fly away, yeah

Throw it back, back, back, back in their face  
Back in their face, give them a taste  
We ain't the ones to quit  
We don't take no shh

All I know (All I know)  
Dominoes (Dominoes)  
Gonna fall

We shine a little bit brighter  
When they're out the way  
So get out the way  
We sing a little bit louder  
When no one's there to say  
No one's there to say  
It's our life, we are the writers

(Ooh-oooh-oooh, ooh-oooh-oooh)

(Ooh-oooh) It's our life, we are the writers  
(Ooh-oooh-oooh, ooh-oooh-oooh)  
(Ooh-oooh) It's our life, we are the writers

So mi have to do what mi have to do  
So that I get the most I gratitude  
And mi attitude is my altitude  
Blessings on mi life a mi like it too  
Zagadat

We shine a little bit brighter  
When they're out the way  
So get out the way  
We sing a little bit louder  
When no one's there to say  
No one's there to say  
It's our life, we are the writers
