

# On The Street Where You Live

Mr Hudson

I have often walked  
Round these streets before  
But the pavement always moved  
Beneath my feet before  
All at once am I multi-storey high  
Knowing I'm on the streets where you live

Residents may stare, they don't bother me a bit  
Because there's nowhere in the world that I would rather sit  
Let their time row by, I don't care now I  
Know I'm here on the street where she lives

And... oh, oh, oh,  
What a nauseous feeling  
Just to know, oh, oh,  
For once she's near  
And oh, oh, oh,  
What a tower-block feeling  
Any second she may suddenly appear

Are there lilac trees  
In the heart of town?  
Can you hear the lark  
In any other part of town?  
Does enchantment pour  
Out of every door?  
No, it's just here on the street where she lives

And... oh, oh, oh,  
What a nauseous feeling  
Just to know, oh, oh,  
For once she's near  
And oh, oh, oh,  
What a tower-block feeling  
Any second she may suddenly appear

Are there lilac trees  
In the heart of town?  
Can you hear the lark  
In any other part of town?  
Does enchantment pour  
Out of every door?  
No, it's just here on the street where she lives

Are there lilac trees  
In the heart of town?  
Can you hear the lark  
In any other part of town?  
Does enchantment pour  
Out of every door?  
No, it's just on the street where she lives.
