

Close to Your Heart

Mr. President

I wanna be close to your heart

Even you fill my heart with tears
I wanna feel you
And it's your love that disappears
I wanna touch you
And though our days we left behind
Still gonna thrill me
I know your plan is sealed and signed
You're gonna kill me

I wanna be close to your heart
I hope you're gonna change your mind
Close to your heart
a love like this is hard to find
Close to your heart
I wanna be close to your heart
all that we've been through
I can't stop loving you - and I do, yes I do!

You know my voice will cry with pain
But it won't get through
And if my heart beat once again
It wouldn't tell you

I wanna be close to your heart
I hope you're gonna change your mind
Close to your heart
a love like this is hard to find
Close to your heart
I wanna be close to your heart
all that we've been through
I can't stop loving you - and I do, yes I do!
