

Love Zone

Mr. President

My heart is beating hard and my knees are weak
My heart is beating hard and my knees are weak

Take me to the love zone
Take me to the love zone
I wanna know all your mysteries
Take me to the love zone
Take me to the love zone
Is it a dream or reality?
Is it you? is it me? or just a fantasy?
Is it you? is it me? it's got to be
Take me to the love zone
Take me to the love zone
I wanna know where the love has come

What goes on inside of me?
Everything turns upside down (4x)
My heart is beating hard and my knees are weak

Take my hand, and follow me
Look into my eyes and see (4x)
My heart is beating hard and my knees are weak

(2x)
My heart is beating hard and my knees are weak
(I wanna know where the love has come)
(2x)
My heart is beating hard and my knees are weak
(I wanna know where the love has come)
