

## Lava Lamp

Mree

Sometimes you have to let go  
To freefall away  
I don't judge you anymore  
'Cause sometimes I need it, too  
Freefall, fall away  
Out of sight, out of mind

I'm so tired  
Where can I lay my head?  
I'll just close my eyes  
Hope I wake up dead  
I don't wanna live without you  
Don't leave me out here to die  
Don't leave me out here to die

Maybe another time and space  
When I can look you in the face  
Far, far away  
Maybe in another life

Don't leave me, don't leave me, don't leave me out to die  
'Cause I don't wanna live, don't wanna live without you  
Don't leave me, don't leave me, don't leave me out to die  
I don't wanna live, don't wanna live without you  
Don't leave me, don't leave me, don't leave me out to die  
'Cause I don't wanna live, don't wanna live without you

Don't leave me, don't leave me, don't leave me out to die  
'Cause I don't wanna live, don't wanna live without you
