

Passion (Sanctuary)

Mree

Omoidasu ba haruka haruka
Mirai wa
Doko made mo kagayaiteta
Kirei na aozora no shita de
Bokura wa
Sukoshi dake obieteita

I watch you fast asleep
All I fear means nothing
In you and I, there's a new land
Angels in flight
My sanctuary, my sanctuary, yeah
Where fears and lies melt away
Music inside
What's left of me
What's left of me?

Zutto mae ni suki datta hito
Fuyu ni kodomo ga umareru sou da
Mukashi kara no kimari goto wo
Tama ni utagaitaku naru yo

My fears
My lies
Melt away
