

Annihilation

Mr.Kitty

I have an appetite
For destruction
Annihilation
To redeem myself
In a selfish world
It took my passion
Suffocating me for long enough

Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
Annihilation

For those who loathe me
Not my enemies
A dagger through my heart
Another in my back
Purified in light
But you'll not be blind
I'll destroy this world you made for me

Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
Annihilation
