

Be Alive

Mr.Kitty

You hide behind a gate
A ring of keys to break
With claim to dissociate
Only to instigate

I don't care how bad I've hurt
Be alive
I don't care how bad I've hurt
Be alive
Be alive
Be alive

No one knows the truth
No one's abusing you
Manipulate the youth
Keep them all confused

I don't care how bad I've hurt
Be alive
I don't care how bad I've hurt
Be alive
Be alive
Be alive
Be alive
Be alive
Be alive
Be alive
Be alive
Be alive
