

## Earthstones

Mr.Kitty

I built a house of stones with room for only two  
The soil from the earth will hold me close to you  
I know we're built to break, for now it's all we've got  
I'll learn from my mistakes, you'll learn to not get caught

Mend my heart with morphine  
Let the pain adorn me  
Like a doll, disarming  
I'm okay  
As I go through cycles  
This romance turns idle  
Give me time to fight it  
It's all about me, not you

It's hard to give you up but heartbreak's all I've known  
I'm watching you escape to nowhere, not alone  
You start to fall apart, we know it can't be helped  
The stones will soon collapse, it hurts to wish you well

Mend my heart with morphine  
Let the pain adorn me  
Like a doll, disarming  
I'm okay  
As I go through cycles  
This romance turns idle  
Give me time to fight it  
It's all about me, not you
