

## Good Enough

Mr.Kitty

In the infinite dark  
You let me here  
It's my favorite part  
Discomfort held  
My hand and heart  
But soon enough  
You took it too far  
You ripped me apart

How do I  
Realize what I've become?  
Not good enough for anyone  
This vacancy that I adore  
I don't know  
I don't know who I am anymore  
I don't know who I am anymore  
I don't know who I am anymore

So for what it's all worth  
I put the stones  
In places that hurt  
To keep me down  
In a bed of dirt  
I'm bound forever  
It's like a curse  
You're making it worse

How do I  
Realize what I've become?  
Not good enough for anyone  
This vacancy that I adore  
I don't know  
I don't know who I am anymore  
I don't know who I am anymore  
I don't know who I am anymore
