

# I'm Not Around

Mr.Kitty

It's over  
I'm done for  
These voices  
Can't ignore  
I don't know  
What to do  
I just want  
To see you

I'm not around  
I'm not around  
I'm not around  
I'm not around

I cannot  
Fight this war  
In my mind  
Anymore  
There's nothing  
Left to do  
Because I  
Can't see you

I'm not around  
I'm not around  
I'm not around  
I'm not around

I'm not around  
I'm not around  
I'm not around  
I'm not around
