

# Malformed

Mr.Kitty

In my skin I feel like I can't be myself  
Would you like me more If I was someone else  
Through the glass I see someone that looks like me  
Mirrors always show what you don't want to see

Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how

In my head I know these feelings can't be right  
I feel I'm too weak I'll never win the fight  
Through your eyes I see someone that feels malformed  
Please sew shut my eyes so that I'll see no more

Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how  
Can you fix me now?  
I don't know how
