

Neglect

Mr.Kitty

Tell me of your frail dreams, my dear girl
Until your heart won't hold any more

Forgiven negligence
My withered soul will never let go
Courtesy irrelevant
The only thing that I won't know
Forgiven negligence
My withered soul will never let go
Courtesy irrelevant
The only thing that I won't know

Give in to guilt
You'll see, you'll regret
The hands of hope
I let go
Forget you

Forgiven negligence
My withered soul will never let go
Courtesy irrelevant
The only thing that I won't know
Forgiven negligence
My withered soul will never let go
Courtesy irrelevant
The only thing that I won't know
I won't know, I won't know
I won't know, I won't know

Forgiven negligence
My withered soul will never let go
Courtesy irrelevant
The only thing that I won't know
Forgiven negligence
My withered soul will never let go
Courtesy relevant
The only thing that I won't know
