

Never

Mr.Kitty

'Til I met you
I never cared
My reflection
Mirrored in your eyes
'Til you taught me
I never danced
To the rhythm
Of a genuine life

Every time I think of you
I feel like I'm fading
A forgotten memory
Nearly dissipating
Every time you pull me close
I feel an electric sensation
Say you'll never let me down
Say you'll never let me go
Every time I think of you
I feel like I'm fading
A forgotten memory
Nearly dissipating
Every time you pull me close
I feel an electric sensation
Say you'll never let me down
Say you'll never let me go

Always restless
I never slept
You are with me
Every day and every night
In a nightmare
I never dreamt
I was lost 'til
You found my hidden heart

Every time I think of you
I feel like I'm fading
A forgotten memory
Nearly dissipating
Every time you pull me close
I feel an electric sensation
Say you'll never let me down
Say you'll never let me go
Every time I think of you
I feel like I'm fading
A forgotten memory
Nearly dissipating
Every time you pull me close
I feel an electric sensation
Say you'll never let me down
Say you'll never let me go

Say you'll never let me down
Say you'll never let me go
Say you'll never let me down
Say you'll never let me go
