

Not Dead Yet

Mr.Kitty

Where am I?
How did I get here?
Who are you?
You're from the future
Did I live?
Where are the people?
What's the time?
Are you the reaper?

Promise me you will see
The pain you brought everyone around me
To your goodbye, to your regrets
You still have time, you're not dead yet
Promise me you will see
The pain you brought everyone around me
To your goodbye, to your regrets
You still have time, you're not dead yet

Don't forget this is genocide
Give back their prayers
You can make this right
From the light
There are no survivors
They will visit, but they can't hear you

Promise me you will see
The pain you brought everyone around me
To your goodbye, to your regrets
You still have time, you're not dead yet
Promise me you will see
The pain you brought everyone around me
To your goodbye, to your regrets
You still have time, you're not dead yet

You're not dead yet
You're not dead yet
You're not dead yet
You're not dead yet

Promise me you will see
The pain you brought everyone around me
To your goodbye, to your regrets
You still have time, you're not dead yet
Promise me you will see
The pain you brought everyone around me
To your goodbye, to your regrets
You still have time, you're not dead yet
