Shadow Dancer

Mr.Kitty

I feel it on my skin
I feel it through my teeth
The rhythm of revenge
The rhythm of defeat

I know you're hiding
Please do not find me
Dance with the shadows
Into the gallows

I'll hurt you through the sound
I'll hurt you to the beat
No hearts will dance alone
No hearts will trouble me

I know you're hiding
Please do not find me
Dance with the shadows
Into the gallows

I know you're hiding
Please do no find me
Dance with the shadows
Into the gallows

I know your hiding
Please do no find me
Dance with the shadows
Into the gallows
