

# Veil

Mr.Kitty

Closing my eyes  
For the last time  
Dark as the night  
For the last time

All  
I need  
Is someone  
To hold  
My hand  
All the  
Way down

And all  
I need  
Is someone  
To hold  
My hand  
All the  
Way down

Closing my eyes  
For the last time  
Dark as the night  
For the last time

All  
I need  
Is someone  
To hold  
My hand  
All the  
Way down

And all  
I need  
Is someone  
To hold  
My hand  
All the  
Way down

Do you hear me?  
Do you hear me now?  
Do you hear me now?  
Do you hear me?  
Do You hear me now?  
Do you hear me now?  
Do you hear me?
