I was lost, you were there to find me
When I joked you were there to laugh
I was sad you could make me happy
As I broke you could put me back
You were lost, I couldn't find you
Couldn't laugh when I needed light
Didn't know you were this unhappy
When you broke what could I do?

There was no warning or a sign
As you went to the other side
Every night I am holding tears back
I refuse to ever say goodbye
As a promise I'll remember
You will never be in pain
When the time comes I'll see you
I am living another day
