

Burn This

Mrozu

I've been searching for somebody like you
but you've been fading into the darkness.
But down in my soul this love is gone
'couse I'm feeling cold when I'm home and alone.
But this time I roar. Cann't let it go.
We're gonna burn this mother fucker down!

Alexander Mc Quenn by the shoe type
She's a killer on heels where they do that?
Cuz she's stuck on my head like a DU-RAG
I'm done past it, I'm thought that!

Shante burton, but I say meurk em'
Enter the dance with a choong thing, certain.
No fiancée but the girl is like Beyonce. Huh!

Visualize that I'm tryinna get you and I
In a ride get you mesmerized,
Til the end of the night we galvanize.

And a Nigga got swag,
she's my misses put it in bag and tonight we going all out.
We burn this motherfucker down...

Aaah, aaah
We're gonna burn this mother fucker down!
Aaah, aaah
Burn this mother fucker!
Now we're taking you up and then down to the ground.
I'm comming up. Just listen to the stereo.
We're gonna turn this place around.

Yea, thats's my broad! Everyday on the streets we crawl,
on the next set of nights we brawl.
Right now like murder she wrote there.

But don't watch that. It's that Bonnie & Clyde to the climax,
Yea we on that!
And since too many mandem watch that.
Now they catching contact.

So lemme just hit it, could have spent a week in it, beat it.
Tell the DJ to wheel it.
Like we're in for the remix damn what's the business!

Take you round the world and back,
And a cruise then you could
Loosen up your shoes right now
We burn this motherfucker down...

Aaah, aaah
We're gonna burn this mother fucker down!
Aaah, aaah
Burn this mother fucker!
Now we're taking you up and then down to the ground.
I'm comming up just listen to the stereo.
We're gonna turn this place around.

I've been searching for somebody like you
but you've been fading into the darkness.
But down in my soul this love is gone
'couse I'm feeling cold when I'm home and alone.
But this time I roar. Cann't let it go.
We're gonna burn this mother fucker down!

Aaah, aaah
Now we're taking you up and then down to the ground.
I'm coming up. Just listen to the stereo.
We're gonna turn this place around.
