

WHOO WHOO WHOO

Mrs. Green Apple

Like a sky
Like a bird
Like a sword
Like a shield

Whoo whoo whoo

Like a robot
Like a monster
Like an angel
You are perfect

Kirakira to kagayaku hoshi ga kimi ga
Amarini mabushikute mabushikute
Sukusuku to hagukumu gense no tenshi
Raise ni wa senshi

Whoo whoo whoo

And the song goes on
And we dance til dawn
If you feel alright
Set it free
Whoo whoo whoo
Let it out
Whoo whoo whoo

Whoo whoo whoo

And the song goes on
And we dance til dawn
If you feel alright
Set it free
Whoo whoo whoo
Let it out
Whoo whoo whoo

Like a sky
Like a bird
Like a sword
Like a shield

Whoo whoo whoo

Like a robot
Like a monster
Like an angel
You are perfect
