I put my all in (I put my all in)

This ain't rewardin' (This ain't rewardin')

I'm callin' out, baby

You drive me wild, baby

I know it hurts, baby

It could be worse, baby

Can't get this again, you ain't never touchin' this again

You can't never feel my lipstick 'gain

You ain't never get my kiss again

I don't get mad and it hurts, I know

Can't get this again, you ain't never touchin' this again

You can't never feel my lipstick 'gain

I'm callin' out, baby

You drive me wild, baby

I know it hurts, baby

It could be worse, baby

I was chillin' right at the beginnin'

When the bab started billin', I thought it was fulfillin'

Messin' 'round me, baby, you got my head spinnin'

Why you got me to yourself, nigga, you must be kiddin'

Stay screamin' you need me to be your only lover

Fuck around and undercover, I had to blow your cover

'Cause you're showin' interest, but I need less stress

And you know the name Banks, so you gotta invest (Gotta invest)
