Ms Banks

(Rymez)

All the baddies feeling all my songs  
Talking my shit, you know what I'm on  
Big Banks with the Big Don  
When I touch it, can't do nothin' wrong  
Name ring bells, no intercom  
Body banging, busting out the thong  
Giving sloppy-toppy with my Rollie on  
Stick it on me, baby, nothing long  
Bad, never regular  
I be running this shit like a senator  
All these niggas be ringing my cellular  
You a five, but you know I'm a ten enuh, step out dem dead enuh  
Know you love it, suki suki  
Eat the pussy like egusi  
Know you fiendin' for the cookie  
Need a pro, no rookie

Baby, dip, hola, shake that shit  
Baby, dip, can you make it dip?  
Baby, dip, hola, shake that shit  
Baby, dip, can you make it dip?

Don Dada, big gwalla  
Big back, big stack, big, big mama  
Ready with the semi looking like a top shotta  
Only gun man gon' make me swalla'  
Dung inna mi belly, dong inna yuh throat, bitch  
Buck up inna jelly, can you make my toe twitch?  
Beat it like a seh mi, ready fi di dealings  
Dem type ah fuck mek mi catch feelings  
Dem type ah fuck mek mi get hook  
Dish out di ting like eh name cook  
Real bad gyal, know fi tek hood  
Weh yuh mean? Gyal, yuh fi set good  
Iced out bezzy, wrist too heavy  
Don too shelly (Don way too shelly)  
Armed and ready, way too steady  
Big dilemma like Nelly and Kelly

Baby, dip, can you make it dip?  
Baby, dip, hola, shake that shit
